

Weddings at Iona Village Hall

Iona village hall is the heart of our community.
Imbue your wedding with this same heart.

Congratulations on your engagement, and thank you for considering Iona Village Hall for your special day.

Iona Village Hall is a beautiful space at the heart of Iona. Surrounded by endless coastline, crashing waves, and a vibrant community spirit.

We provide a stunning setting, the rest is up to you. Our modern village hall is a blank canvas for you to transform, creating the do it yourself wedding of your dreams.

This brochure will provide some possibilities, though we always welcome your ideas.

“Our hall forms the backdrop to the collective memory of our community. The dance floor retains the memory of all who have danced there and the walls hold the voices and instruments of many years.”

Your wedding need not be just an evening event, with three days' access to the venue.

Day 1

You may enter the hall from 9am. Gather your loved ones around you to bring your vision to life.

Day 2

Your special day. You are free to begin as early as you wish, and we ask that you wrap up by 1am.

Day 3

Gather to share breakfast, stories and photos. Clear the venue in your own time, before handing us back the keys at 5pm.

Wedding ceremony

We welcome ceremonies within our hall. You are also free to marry on any beach on Iona; all you need is permission from the land owner.

Bar

Get creative with our bar space. You may run the bar yourself; note you'll need to apply for a license. You may choose to hire a local hotel to run the bar for you.

Marquee

We have a stunning stretch tent that can be erected at an additional charge. Our gardens have ample space for a marquee, should you wish to hire one.

As soon as we got engaged,
we knew... there was only one
location that the reception
could be held... the Village Hall.

LOTUS AND ALAN RUNDELL

What's included

Exclusive use of the entire venue

Accessible toilets and parking. Our hall is fully wheelchair accessible and benefits from a hearing loop.

Local supplier recommendations for a wedding like no other

Insights from our staff into the unique journey of planning an island wedding

Use of the well equipped kitchen and sound system

Signage notifying islanders that a private event is taking place

Important notes

Venue hire does not include a celebrant, photographer or catering. We will gladly introduce you to local suppliers to help you create your unique vision.

At Iona Village Hall, you are free to create your own bespoke wedding experience. You are therefore responsible for setting up, running and clearing your wedding. Our staff on the day will simply give you the keys and leave you to it.

We ask that all couples protect the natural beauty of our island, for example by using only biodegradable confetti and not releasing balloons or lanterns.

Only island residents can bring their car onto Iona. Weddings may apply to bring a car.

Our hall has the following capacity:

Standing 230

Ceremony seating 120

Dining 96

Please note that accommodation on the island is often booked out far in advance. We encourage you to contact us anytime in your wedding planning journey, however we recommend securing accommodation before confirming your booking with us.

Our wedding season runs year round, with a venue hire of £1,200 including VAT.

Our simple pricing structure means that no matter what day of the week, or week of the year, you wish to marry on, you pay the same rate.

Contact us for islanders pricing, which we offer to further our community ethos.

THANK YOU FOR CONSIDERING IONA VILLAGE HALL FOR YOUR SPECIAL DAY

By hiring our space for your wedding, you are actively supporting our rural island community. Your support allows us to continue providing this special gathering place, and brings vitality to our local producers.
